### IMPORTANT NOTE

Dear Parents,

Due to licensing regulations, we are now required to keep the nap mat and blanket separate from each other. Please provide your child/ren with a blanket in a **labeled** green or yellow pillow case. Due to space limitations, we cannot accept large blankets. Please provide a blanket just large enough to cover your child for a short nap. If you have provided a larger blanket, please swap it out for a smaller one.

Thank you for your cooperation.
